About Lepu Medical

The Company is the only total-solution provider in the PRC across the full life cycle of cardiovascular disease management, with products and services encompassing medical devices, pharmaceuticals, and medical care solutions according to Frost & Sullivan. It is one of the earliest companies in the PRC to offer coronary interventional products and have consolidated its first-mover advantage through relentless innovation since its inception in 1999. The Company's key products, namely, coronary drug-eluting stent, coronary bioresorbable scaffold, coronary drug-coated balloon, congenital heart disease occluder and coronary cutting balloon, all ranked top three in the PRC, according to the same source, in terms of operating revenue in 2021. The Company has grown steadily for the past 15 consecutive years at a CAGR of 31.5% in operating revenue and a CAGR of 24.9% in net profit. It has been listed on the Shenzhen Stock Exchange (SZSE: 300003.SZ) since October 2009.

The Company organizes its business into three operating segments:

- **Medical Devices.** The Company primarily offers cardiovascular medical devices such as coronary interventional products, structural heart disease products, cardiac rhythm management products, digital subtraction angiography equipment, and peripheral interventional products. The Company is a pioneer in the innovative coronary medical device market in the PRC. Leveraging its technical capabilities and industry expertise, as well as sales and supply chain networks from the cardiovascular market, the Company has further expanded into in vitro diagnostics equipment and test kits, and surgical & anesthetic devices and consumables. As of June 30, 2022, it had obtained 541 NMPA type II and type III licenses, 234 CE certificates and 34 FDA approvals in medical devices.
- **Pharmaceuticals.** The Company offers both active pharmaceutical ingredient and finished dosage forms (FDF) pharmaceuticals. It provides one of the most comprehensive cardiovascular FDF offerings in the PRC. As of June 30, 2022, it had 87 pharmaceuticals included in the National Reimbursement Drug List including primarily antihyperlipidemic, antihypertensive, antihyperglycemic, anti-thrombotic, and anti-heart failure pharmaceuticals.
- **Medical Care Solutions.** The Company offers cardiovascular-related medical care solutions through its cardiovascular hospital, Internet hospitals, check-up center, independent clinical laboratories, and online pharmacies. It also provides solutions to facilitate cardiovascular patients' health management at home.

About the Offering

The Offering consists of up to 11,910,286 GDRs (the "**Firm GDRs**"), and up to an additional 5,774,110 GDRs pursuant to an upsize option (the "**Upsize GDRs**"). Each GDR represents five newly issued A Shares of the Company with a fully paid nominal value of RMB 1.00 each. The Company's A Shares are listed on the Shenzhen Stock Exchange, while the listing of the GDRs will be on SIX Swiss Exchange, in accordance with the Standard for Depository Receipts.

The upsize option contained in the Offering (the "**Upsize Option**") may be jointly exercised by the Company and the Joint Global Coordinators (on behalf of the Joint Global Coordinators and Joint Bookrunners), on the date of pricing of the Offering, where the number of GDRs sold in connection with this Upsize Option will depend on investor demand.

The Company expects the offer price per GDR (the "**Offer Price**") to be set within the offer price range of USD 12.31 to USD 12.68 (the "**Offer Price Range**"). The Offer Price will be determined among the Company and the Joint Global Coordinator following a bookbuilding process. The Company expects to publish the final Offer Price and the final number of GDRs sold in the Offering on or around September 15, 2022.

The Offering is expected to raise approximately USD 148.8 million of gross proceeds assuming the sale of all Firm GDRs at an offer price that is at the mid-point of the Offer Price Range, and no exercise of the Upsize Option. Assuming the sale of all GDRs at an offer price that is at the mid-point of the Offer Price Range with full exercise of the Upsize Option, the Offering is expected to raise approximately USD 221.0 million of gross proceeds. The Company's net proceeds would be obtained after deducting the total fees, costs, and expenses connected with the Offering (inclusive of value added taxes).

Of the net proceeds raised from the Offering, the Company intends to use (i) approximately 40% for the implementation of global research and development ("**R&D**") initiatives and commercialize products to better meet patients' needs globally, (ii) approximately 20% for the establishment of production sites overseas, (iii)

Not for release, publication or distribution in whole or in part in or into the United States (except to qualified institutional buyers as defined in Rule 144A under the Securities Act), Canada, Australia, Japan, South Africa or any other jurisdiction in which the distribution or release would be unlawful.

approximately 10% to establish business development centers overseas and seek opportunities to co-develop products empowered by leading technologies, conduct sales and marketing activities of products globally, and form strategic collaboration with sales, marketing, and distribution partners, (iv) approximately 10% to build sales and distribution network globally with customer service capabilities to broaden sale channels and increase penetration into more medical and retail institutions to enhance brand awareness globally, and (v) the remaining 20% to supplement the working capital for general corporate purposes.

The Offering consists of (i) a private placement in Switzerland solely to professional clients within the meaning of art. 4 para. 3 of the Swiss Federal Act on Financial Services (the “**FinSA**”); (ii) an offering in the United States of America (“**United States**” or “**US**”) only to “qualified institutional buyers” as defined in, and in reliance upon, Rule 144A (“**Rule 144A**”), or another exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act of 1933, as amended (the “**Securities Act**”); and (iii) private placements in certain jurisdictions outside of Switzerland and the United States in accordance with applicable securities laws and on the basis of various exemptions, including those provided by the Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”) and/or Regulation (EU) 2017/1129 as it forms part of domestic UK law by virtue of the European Union (Withdrawal) Act 2018 (“**UK Prospectus Regulation**”). All offers and sales outside the United States will be made in compliance with Regulation S under the Securities Act.
